

Exam Registration

The exam registration has to be done online via the QIS within the official registration periods defined by the offices that are responsible for your study courses.

Dates for oral exams will be discussed in the lectures. Registration for these exams has (additionally to registration via QIS!) to be done via our secretariat by entering in the corresponding list at our secretariat or by sending a mail to sekretariat@imw.uni-hannover.de.

Registration for non-graded exams that are not in the QIS has to be done within the official exam registration periods via our secretariat (sekretariat@imw.uni-hannover.de).
